Assessment of plant resources in Bihar by Botanical Survey of India

874. SHRI S. S. AHLUWALIA: Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether the Botanical Survey of India conducted any survey in Bihar for identification, exploration and assessment of plant resources;

(b) if so, what are the details of recommendations made after the survey; and

(c) how many recommendations made by it have since been implemented?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI Z. R. ANSARI): (a) The Botanical Survey of India have undertaken survey for plant explorations in several areas in Bihar such as Ranigunj-Jharia coal fields, Hazaribagh, Parasnath Hill, Chibasa, Singbhum, Chotanagpur, Rajmahal and Chmparan district. Ethnobotanical studies pertaining to medicinal plants used by tribals in Ranchi and Hazaribagh districts were also undertaken. The Botanical Survey of India also studied the plant resources in the wetland ecosystem of Kabar Lake in Bihar.

(b) and (c) The Botanical Survey of India describes the plant resources in its surveys. No recommendations as such are given. The results of the floristic surveys have been published in scientific journals. The important medicinal plants identified as a result of the ethno-botanical study have been documented in the Report of the Project of Ethnobiology.
